NEXT-DAY PROTOTYPES

VALUE-ADDED FABRICATION

DOW CORNING

CHOMERICS

**Emerson
& Cuming**
a National Starch & Chemical Company

SAINT-GOBAIN
PERFORMANCE PLASTICS

Permacele
A METRO AMERICAN COMPANY

 intertape

3M

LOCTITE

It's tough to satisfy the demanding requirements of today's manufacturing buyers and engineers. At least, that's what the competitors who have come and gone over the past seven decades always say.

At Robert McKeown, we see it a little differently. Satisfying customers isn't *tough* — it's what our business is all about. The more demanding the customer, the better they like us.

Therefore, Robert McKeown is pleased to provide our customers more than top name parts and supplies, plus world-class fabrication. We also offer a host of Customer-First services, designed to keep McKeown customers running at peak efficiency, no matter what.

Interested in our capabilities?

Send an e-mail to applications@robertmckeown.com and attach an autoCAD .dxf or .dwg file or fax a drawing, specify the materials and we will be happy to quote your application needs. We specialize in short-run and quick turn-around.

*Supporting manufacturers since 1937.
What can we do for you?*
